 The City Council of the City of Torrance does hereby ordain as follows:
SECTION 1. That Sections 6.9 through 6.9.3 (Emergency Ordinance No. 1746) of Chapter 6 of "The Code of the City of Torrance, 1964" are hereby repealed in their entirety.
SECTION 2. That new sections 6.9 through 6.9.3 of Chapter 6 of "The Code of the City of Torrance, 1964" to read in their entirety as follows:
Sec. 6.9. Zoning permit required. Before a relocation permit shall be issued the applicant shall obtain a zoning permit from the planning director, the planning commission of the city council as provided herein. The application for a zoning permit shall be filed with the planning director, it shall be accompanied by a fee of \$15.00 together with such information as may be required by the planning director.
Sec. 6.9.1. Notice. A zoning permit shall be granted by the planning director only after a notice of the application therefor has been posted in at least six public places, and no such notice shall be posted on property as shown on the last equalized assessment roll, within 200 feet from the contemplated location of the building to be relocated at least ten days prior to the date of filing of the application. The notice shall contain the present and contemplated location of such building and a statement of the zoning director within seven days after posting.
Sec. 6.9.2. Criteria for granting. A zoning permit shall be granted by the planning director only if, in his judgment, the building when placed in its contemplated location:
 1. Will not violate any applicable law; and

 3. Will have a monetary value equal to or greater than the monetary value of all other buildings of the same type within 300 feet in every direction from such location; and
 4. Will be in harmony with the size, quality, design and appearance of all other buildings of the same type within 300 feet in every direction from such location which have been constructed within the ten-year period immediately preceding the filing of the application.
Sec. 6.9.3. Criteria for nonresidential buildings.
 A. The provisions of this section 6.9.3 (rather than the provisions of section 6.9.2) shall apply to any building which was originally designed and which will be used for the contemplated nonresidential use. Such a building is referred to herein as a "nonresidential building."
 B. The planning director shall grant the zoning permit if, in his judgment, the nonresidential building when placed in its contemplated location:
 1. Will not violate any applicable law; and
 2. Will meet the requirements of this Code for the construction of new buildings for the applicable land use and fire zones, including but not limited to the requirements contained in Appendix I (The Land Use Ordinance) of this Code, the building code and the fire prevention code; and

Sec. 6.9.4. Conditions of permit. If a permit is granted pursuant to the provisions of either section 6.9.2 or 6.9.3, the planning director may impose thereon such conditions as he may deem necessary and desirable for the best interests of the city.
Sec. 6.9.5. Protest.
 A. A protest to the granting of the zoning permit may be filed within said zoning permit, by the owner, lessee or other person having the right to possession of any parcel of land within 300 feet from the contemplated location of the building to be relocated. In the event such a protest is filed, a public hearing on the application shall be held by the planning commission as provided in section 6.9.6.
 B. In the event that the planning director shall deny the application for a zoning permit, the applicant may file a protest thereon with the planning director within seven days after denial. In the event such a protest is filed, a public hearing on the application shall be held by the planning commission as provided in section 6.9.6.
Sec. 6.9.6. Hearing by planning commission. The hearing on the application shall be held by the planning commission and notice thereof shall be given in the same manner as provided for a hearing on an application for a conditional use permit in section 20 of Appendix I (The Land Use Ordinance) of this Code. After the conclusion of the hearing, the planning commission shall deny or grant the application in whole or in part. In making such determination, the planning commission shall use the criteria set forth in sections 6.9.2 and 6.9.3. If the permit is granted, the planning commission may impose thereon such conditions as it may deem necessary and desirable for the best interests of the city.
Sec. 6.9.7. Appeal to city council. The decision of the planning commission shall be final unless appealed to the city council. Any person entitled to file a protest by the provisions of section 6.9.5 may appeal such decision of the planning commission by filing a notice of appeal with the planning director within fourteen days after the decision has been rendered.
